

January 5, 2021

Dear Families:

We hope you had a safe and cheerful holiday break. Unfortunately, WCCA's plans to reopen classrooms on January 14th has changed. Due to the higher occurrences of Covid 19 infections and in accordance with Henderson County Public Schools' announcement on January 4th, WCCA classrooms will remain **virtual at least through January 31st**. Should this change due to local or state decisions we will communicate any changes as soon as possible.

WCCA appreciates your understanding and diligence in following the recommended State and CDC guidance for helping prevent the spread of the Covid virus.

Stay safe and well,

Linda Carter,
Children's Services Director
